

Evaluation of SDU DM Workshop 27/10 2016

Will you recommend your colleges to participate in a workshop similar to this?	What could be improved?	What worked well?
Yes	Perhaps distinguish between various faculties	Good to discuss
Yes	–	–
Yes	I was too briefly there to assess	I was too briefly there to assess
	I think it would have been nice to go through one specific example in more detail.	I think it was efficient, in the sense that the length was not too short or too long, but good enough to provide the basics.
Yes	Gerne flere konkrete eksempler på DMP.	De mange forskellige oplæg var gode.
Yes	depends on the target audience. More hands on practise could be good for researchers	the presentations were relevant and to the point
Yes	Opfyldte mine forventninger	Opfyldte mine forventninger
		Det var fint, at I havde inviteret en forsker til at fortælle om arbejdet med datamanagement, så formidlingen var forsker - forsker og ikke som oftest administrator - forsker.
Yes	Måske lidt mere tid til at gå i dybden	
	More time	
Yes	More interest from faculty	The planning and interaction
